

Tunnel to Towers Fundraiser

Cycling to Remember

Sunday September 7, 2025

Join us for the Second Annual Tunnel to Towers Fundraising Ride
as we commemorate the events of 9/11.

Help us contribute to the foundation that aids first responders and their families.

Enjoy the scenic country ride over and along the Blue Mountain Range.
Challenge yourself and connect with fellow riders as we ride in remembrance on a
Metric Century (62 miles), 43-mile or 19-mile ride.

After the ride, join us for lunch, entertainment and a basket raffle open to the public
on the patio at Woodstone Country Club.

Awards given for Hill Climb Challenges and Fundraising Milestones

If you do not ride, you can contribute to our fundraiser by
visiting our website to make a financial contribution directly to T2T.
